

Young Greens: Fighting for Students!

The Young Greens are the youth wing of the Green Party of England and Wales. We aim to change the direction of our society towards a just and sustainable future.

Our Values

No cuts! Invest in the future.

Under the Con-Dem government youth unemployment rate has passed 1m with a record amount of unemployed graduates.

The only way to recovery is government investment in new jobs. The deficit should be brought down through methods other than cuts, such as progressive taxation on the highest earners, cutting the annual £100bn of tax avoidance, introducing a Robin Hood tax on the banks and investing in a million new Climate jobs to tackle climate change.

For Free education – against tuition fees

The Green Party has always argued that higher education is a public service, and should be provided as such out of general taxation. We are the only party who have consistently opposed to tuition fees from the start.

Equality

We want to see the minimum wage raised to the living wage (£7.40 nationally, £8.00 in London). We are campaigning on campuses for a living wage and a maximum 10:1 pay ratio between the highest and lowest paid.
