Help!

- *Organise events around themes, like on Feminism during International Women's day. They don't always have to be speaker events, but could be a film night, social or even book club*
- *Make sure you have something planned during every term, even if it's only vaguely to allow for flexibility*
- *If you'd like a speaker from the Green Party or have any enquires whatsoever, please contact the Young Greens Coordinator (admin@younggreens.org.uk)*
- *Let us know what you're up to! The national Young Greens committee is there to help you in any way it can, especially with coordinating nationally*
